

## Mr. Probz - Nothing really matters

When she's ok Then I'm alright When she's awake I'm up all night  
And nothing really matters Nothing really matters

I see her face And in my mind I sieze the day Whenever she's nearby  
It's like nothing really matters, no Nothing really matters

She completes me Like she reads me Right or wrong It's so clear she's  
All that I need All I need yeah

I know what it feels like I know what it feels like Swimming through the stars  
when I see her And I don't need air because I breathe her

I know what it feels like I know what it feels like yeah I breathe her  
Breathe her.. Everytime I see her (2x)

When I'm lost And need a sign She leads the way And I'll be fine  
And nothing really matters Nothing really matters

She completes me It's how she reads me Right or wrong It's so clear she's  
All that I need All I need yeah

I know what it feels like I know what it feels like Swimming through the stars  
when I see her And I don't need air because I breathe her

I know what it feels like I know what it feels like yeah I breathe her  
Breathe her.. Everytime I see her (4x)
